This affects your pay and you will not get paid while in training if this action is not taken.

3.3. Reservists transferring to Active Duty: you must contact your reserve unit upon arrival to OTS and have your home unit's personnel section release you from MilPDS. They will initiate this action by placing you in the following PASCODE ZB0JFQK9. If your unit has any issues completing these actions they can directly contact AFPC, Mr. Johnson DSN 665-2231, commercial 210-565-2231 for assistance. A dangerous instrument is a device of any sort, the use of which may reasonably be expected to cause risk, peril, danger, or lack of safety. Upon arrival, if you happen to have an item that could be considered a weapon, inform the Maxwell AFB gate guard and ask for guidance on storing a weapon at the base armory for the duration of your training at OTS. Weapons or dangerous instruments are not permitted on the OTS campus to include the OTS dormitories.

8.1.2. Pets and sports equipment are not allowed at OTS.

8.1.3. Food and any drink other than water may not be consumed or stored in the OTS dormitory living quarters.

8.1.4. Pornographic materials are not permitted at OTS. (*AETCPAM 36-2003*)

8.1.5. Tobacco products are not permitted for use during training.

9. MEDICAL REQUIREMENTS

9.1. Cadets are encouraged to bring any and all relevant medical records, to include immunization record. While they may not be all needed, the records will be readily available if required.

9.2. If you are injured, on a profile, or believe you cannot complete the Air Force Fitness Assessment due to health concerns, contact your OTS admissions POC immediately.

9.3. Any prescription medication brought here to OTS needs to be relayed to your Flight Commander upon initial interview. Cadets are encouraged to bring enough supply to last the duration of training. If required, more may be requested through the 42 MDG during training.

9.3.1. For prescription medication, you should have a prescription from a physician for any medicine you bring to OTS. The base hospital will not fill civilian prescriptions issued before your arrival to OTS

10. GOVERNMENT PROVIDED LAPTOPS

10.1. Access to civilian websites will be restricted during training, but cadets will be able to access sites for the purpose of banking and paying bills.

10.2. Cadets will have access to websites through the Air University Computer Information System network for research and information purposes.

10.3. Most of the curriculum and assignments are electronic, so there is little need for printing.

10.4. Government computers no longer accept any USB device due to security issues. You will not be able to transfer information from personal computers to government computers using this method.

11. PERSONAL COMPUTERS

11.1. It is highly recommended cadets bring and use their personal laptops with wireless capability as most of the curriculum has moved to **Blackboard**.

11.2. Commercial wireless internet is available in the dormitories and connectivity is limited due to the volume of students using it.

11.3. You are highly encouraged to bring your personal laptop (recommend not utilizing a tablet due to document formatting issues) in order to keep up with your personal finances. Additionally, you are welcome to bring your own printer. Please note that space is very limited and you will be responsible for ensuring that your computer equipment is neat and orderly. If your printers and peripheral equipment cannot fit neatly on a desk with your laptop, then you are encouraged to leave the peripheral equipment at home.

12. FINANCE

12.1. Cadets are **HIGHLY ENCOURAGED** to have sufficient funds available for their families while they are away at training. Due to in processing dates and procedures, it may be several weeks before the cadet begins receiving military pay. However, OTS is committed to ensuring cadets are able to meet their financial obligations.

12.2. You should also set up a direct deposit bank account prior to arrival. If you processed through a recruiter or MEPS, you must arrive with a completed direct deposit form certified by your financial institution.

12.3. While you are at OTS you will receive standard Air Force leave and earnings. You will be paid as an AF E-5 unless you hold a higher rank and are coming straight from active duty to OTS. You will not be paid Basic Allowance for Subsistence while you are at OTS even if you maintain a household elsewhere. This link below will allow you to check the current AF officer and enlisted pay scale:

<http://www.dfas.mil/militarymembers/payentitlements/military-pay-charts.html>

12.4. You will accrue leave at a rate of 2.5 days per calendar month, and be paid according to your rank and time in service. Leave is normally not a consideration during OTS training. However, there are instances when you may be allowed to take leave, or may have to take leave. Primarily leave is a factor at OTS if you must take emergency leave. Emergency leave is usually given for a death or serious illness in your immediate family. If your family has an emergency situation that requires you to return home they should contact the OTS Staff Duty Officer (334-462-4411) and the American Red Cross (1-877-272-7337). Emergency leave will not be denied.

12.5. Prior service Reserve cadets should contact their Government Travel Card (GTC) Coordinator to place their account in Mission Critical Status.

12.6. BAH benefits should be coordinated through cadets' home units.
